THE WEALTH TABLE™

Leave richer than you arrived.

BRAND GUIDELINES · VERSION 1.0 · OCTOBER 2026

Leave richer than you *arrived.*

The Wealth Table is a purposefully designed gathering where women connect around real opportunities, shared ambitions, and the future of wealth and ownership. It is where women bring more than their stories to the table: the businesses they are building, the investments they are exploring, the opportunities they are pursuing, and the connections they need to make their next move.

Founded by Udo Okonjo, Founder of Radiant Collective Capital. Held in Nairobi, Accra and Lagos, and expanding across Africa and beyond.

CONNECTION	Meaningful relationships over networking.
OPPORTUNITY	Real introductions, investments, partnerships.
COLLABORATION	Participation and contribution, not pitches.
OWNERSHIP	From success to ownership.

One family, *six marks.*

Woven, not *shouted.*

Five original patterns inspired by West and East African textile traditions: kente weave, adire circles, mud-cloth marks, beadwork triangles and a diamond chain for unity. Thin lines, tonal colour. Use them as quiet borders and backgrounds, never over faces or behind body text. SVG tiles and PNG previews supplied in four colourways.

WE SAY

Come to the table.

Leave richer than you arrived.

From conversation to action.

Different women. Shared ambition. Bigger possibilities.

How do we move more women from success to ownership?

PRINCIPLES

INVITE	Speak to a guest, not a crowd.
BE PRECISE	Dates, venues, rates. No hype.
OWN IT	Ownership, not just achievement.
BE GENEROUS	Participation and contribution over pitches.
STAY TRUE	Only real numbers and real women.
